*COVID-19 impact to testing began in earnest March through May 2020. During that period, we had over 2,000 displaced testers rescheduled to later dates that are reflected in the August and September 2020 windows. We start to see exam scheduling pick up again in early 2021, with spillover from those rescheduling from 2020 exams. 2021 exams are only being reported against current scheduling through December 2021.

Remote Exams 2020 - 2023

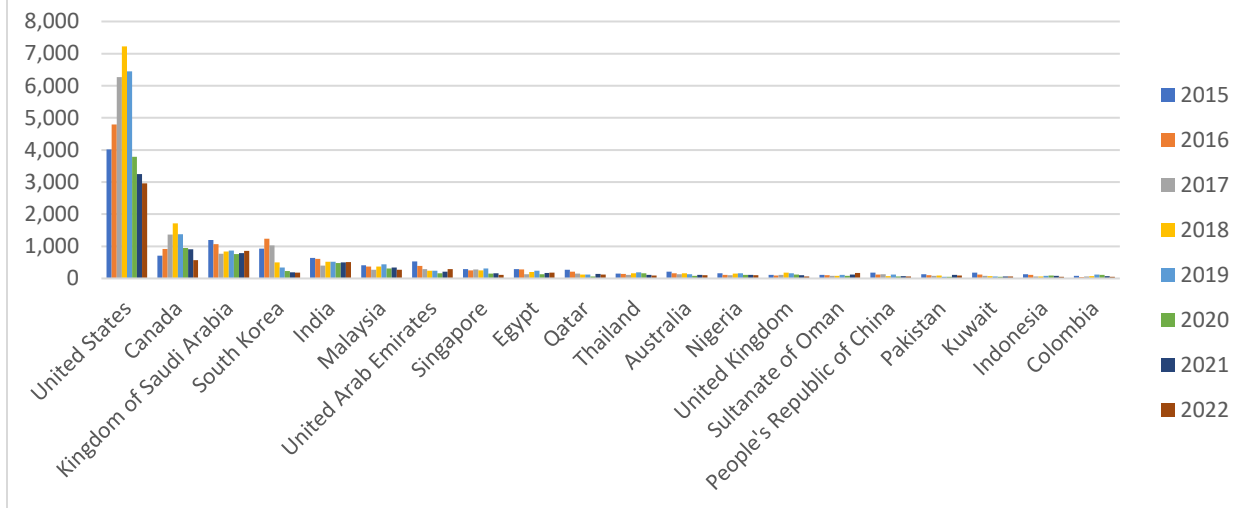

Remote exams were piloted starting with the smaller CBT exams in November 2020. The modality was expanded in 2021 to all programs. While we continue to monitor this modality, we see an increase MOM, with the primary programs utilizing the platform among the API 510, 570, 1169, and 580.
