RE: API Specification, 2C 8th Edition Errata 1

Please be advised that the **Errata 1** for the **8th Edition of API Specification 2C, Offshore Pedestal-mounted Cranes**, has been published.

- This Errata is effective immediately.

Please note that this document requires your immediate review and attention. Your facility should ensure that all errata are incorporated into your quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities by the new edition's effective date.

Licensed and applicant organizations are required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) against which the organizations are licensed or seeking licensure. Current API publications may be purchased from the [API Monogram Web Store](#).

This notification and other product updates, as well as errata and addenda for Monogram specifications, are available at [Monogram Program/APIQR & Spec Updates](#).

For any questions or concerns related to this notification, please contact us at api.org/ContactMonogram.

Thank you for your continued participation in the API Monogram Program and your dedication to quality.

Sincerely,

Kevin Ferrick
Director, Monogram Program/APIQR
