RE: API Specification 6DSS, 3rd Edition Addendum 1

Please be advised that **Addendum 1** for the **3rd Edition of API Specification 6DSS**, *Specification for Subsea Pipeline Valves*, has been published.

This Addendum 1 is effective April 1, 2019.

Please note that this document requires your attention. Facilities should ensure that all revisions are incorporated into the quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities. This Addenda is effective immediately.

The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the API Monogram Web Store.

The authorized Addenda 1 document, along with a copy of this notification, can be found at: API Monogram/APIQR: Program & Spec Updates.

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

Together, we can Power Past Impossible!

Sincerely,

Sharon Bowie
Manager, Monogram/APIQR
