RE: API Specification 9A, 27th Edition Addendum 1

Please be advised that **Addendum 1** of the **27th Edition** of **API Specification 9A**, *Specification for Wire Rope*, has been published.

- The Monogram Program Effective Date is May 2023

Please note that this document requires your immediate review and attention. Your facility should ensure that all editions are incorporated into your quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities by the Addendum's effective date.

Licensed and applicant organizations are required to maintain at least one copy of the most current edition of the English language version of the API Product Standard(s) under which they are licensed or seeking licensure. Current API publications may be purchased in the www.apiwebstore.org.

This notification and other product updates, as well as errata and new editions for Monogram Specifications, are available at Monogram/APIQR Program & Spec Updates.

For any questions or concerns related to this notification, please contact us at api.org/ContactMonogram.

Thank you for your continued participation in the API Monogram Program and your dedication to quality.

Sincerely,

Kevin Ferrick
Senior Director, Monogram/APIQR
