RE: API Specification 6A, 21st Edition, Errata 2

Please be advised that the **Errata 2** of the **21st Edition of API Spec 6A, *Specification for Wellhead and Tree Equipment***, has been published.

- **This Errata is effective immediately**
- **The API Monogram Program Effective Date for this Spec was November 1st, 2019.**

Please note that this document requires your attention. Facilities should ensure that all revisions are incorporated into the quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities. This should be completed prior to the next audit.

The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the [API Monogram Web Store](#).

The authorized Errata document, along with a copy of this notification, can be found at:
[API Monogram/APIQR: Program & Spec Updates](#).

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

Sincerely,

Sharon Bowie
Manager, Monogram/APIQR
