RE: 3rd Addendum to API Spec 6A

Please be advised that the **3rd Addendum to API Spec 6A**, *Specification for Wellhead and Christmas Tree Equipment*, 20th Edition, has been published and should be kept with your copies of API Spec 6A.

- The Date of Issue of this addendum is **March 2013**
- The Effective Date of this addendum is **March 2013**

Please note that this document will require your review and attention. Your facility should ensure that all errata and addenda are incorporated into your quality management system and that affected personnel are trained on new requirements. Additionally, please evaluate the effectiveness of all training provided and ensure all personnel are competent to perform the required activities. This should be completed prior to the document's effective date and your next scheduled audit.

You may find this, and any other addendum or errata that may be applicable to your license(s), on our website at <http://www.api.org/Standards/addenda/add-ep.cfm>.

We thank you for your continued interest and support.
