RE: API RP 19B Perforator Witness & Registered Design Program Application and Agreement

Please be advised that the API Perforator Witness & Registered Design Program Application and Agreement has been updated. The new edition of the application document includes updates to the following:

- Part 1 - Added to the registration procedure a reference to API RP 19B Section II tests
- Part 1 - Specified that once a registered design has been added to the Composite List, API will not change the name
- Part 1 - Clarified requirements surrounding Design Changes
- Part 2A, Question 6 - Added the option for Section I and Section II type tests
- Part 3, #5 - Clarified that registration is only valid for the tested design and clarified representations that cannot be made
- Part 4 - Updated the fee amounts

**If your organization does not accept the new terms of the agreement, you must contact us at [www.api.org/ContactMonogram](https://www.api.org/ContactMonogram) by March 4, 2022, and request withdrawal from the API 19B Perforator Witnessing Program.**

The API RP 19B Perforator Witness & Registered Design Program Application document can be found at [www.api.org/perforator](https://www.api.org/perforator) and a copy of this notification is posted at [API Monogram & APIQR: Advisories & Updates](https://www.api.org/Monogram&APIQR:Advisories&Updates).

Thank you for your continued participation in the API 19B Perforator Witnessing Program and your dedication to quality.

Sincerely,

Kevin Ferrick
