RE: API Specification 6A, 21<sup>st</sup> Edition, Errata 1

Please be advised that the **Errata 1** of the **21<sup>st</sup> Edition of API Spec 6A, Specification for Wellhead and Tree Equipment**, has been published.

- **The API Monogram Program Effective Date for this Specification is November 1<sup>st</sup>, 2019.**
- **This Errata is effective immediately**

Please note that this document requires your attention. Facilities should ensure that all revisions are incorporated into the quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities. This should be completed prior to the specification's effective date and the subsequent audit.

The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the [API Monogram Web Store](#).

The authorized Errata/Addenda document, along with a copy of this notification, can be found at: [API Monogram/APIQR: Program & Spec Updates](#).

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

*Together, we can [Power Past Impossible!](#)*

Sincerely,

Sharon Bowie  
Manager, Monogram/APIQR
