DATE: November 9, 2015

SUBJECT: API Standard 20C, Second Edition

Please be advised that **API Standard 20C**, *Closed Die Forgings for Use in the Petroleum and Natural Gas Industry*, Second Edition, has been published. Please note that this document requires your review and attention.

- The **Date of Issue** of this Edition is **November 2015**
- The **Effective Date** of this Edition is **November 1, 2016**

Your facility/facilities should ensure that all revisions are incorporated into your quality management system (QMS) and that affected personnel are trained on any new requirements. Additionally, please evaluate the effectiveness of all training provided and ensure all personnel are competent to perform the required activities.

These actions should be completed prior to the specification's Effective Date and your next scheduled audit.

In order to assist you with the implementation of any new requirements, please click on the following link to purchase the new specification: <http://www.techstreet.com/api>

Thank you for your continued dedication and support in maintaining the highest quality and production standards throughout the oil and gas industry.

Very Respectfully

CHRISTOPHER J. KINNAN
Program Manager, Monogram/APIQR
