SUBJECT: API Standard 602, Tenth Edition

Please be advised that the **Tenth Edition of API Standard 602, Compact Steel Gate Valves, Globe Valves and Check Valves**, has been published. Please note that this document requires your review and attention.

- The **Date of Issue** of this Edition is **May 2015**
- The **Effective Date** of this Edition is **November 19, 2015**

Your facility/facilities should ensure that all revisions are incorporated into your quality management system (QMS) and that affected personnel are trained on any new requirements. Additionally, please evaluate the effectiveness of all training provided and ensure all personnel are competent to perform the required activities.

These actions should be completed prior to the specification's Effective Date and your next scheduled audit.

In order to assist you with the implementation of any new requirements, please click on the following link to purchase the new specification:
