RE: API Standard 602, 11th Edition

Please be advised that the **11th Edition of API Standard 602, Gate, Globe, and Check Valves for Sizes DN 100 (NPS 4) and Smaller for the Petroleum and Natural Gas Industries**, has been published.

- The API Monogram Program effective date is November 1, 2022

Please note that this document requires your immediate review and attention. Your facility should ensure that all editions are incorporated into your quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities by the new edition's effective date.

Licensed and applicant organizations are required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the [API Publications Store](#).

This notification and other product updates, as well as errata and addenda for Monogram Standards, are available at [Monogram/APIQR Program & Spec Updates](#).

For any questions or concerns related to this notification, please contact us at api.org/ContactMonogram.

Thank you for your continued participation in the API Monogram Program and your dedication to quality.

Sincerely,

Kevin Ferrick
Senior Director, API Monogram/APIQR
