RE: API Specification 2C, 8th Edition

Please be advised that the **8th Edition** of **API Specification 2C, Offshore Pedestal-mounted Cranes**, has been published.

- The API Monogram Program Effective Date is May 1, 2021

Please note that this document requires your immediate review and attention. Your facility should ensure that all editions are incorporated into your quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities by the new edition's effective date.

Licensed and applicant organizations are required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the [API Monogram Web Store](#).

This notification and other product updates, as well as errata and addenda for Monogram Standards, are available at [Monogram/APIQR Program & Spec Updates](#).

Thank you for your continued dedication to Monogram/APIQR and support of the highest quality and product standards throughout the oil and gas industry.

For any questions or concerns related to this notification, please contact us at api.org/ContactMonogram.

Sincerely,

Kevin Ferrick
Director, Monogram/APIQR
