RE: API Specification 12L Withdrawal from Monogram Program

Please be advised that the **API Specification 12L**, *Specification for Vertical and Horizontal Emulsion Treaters*, has been withdrawn from the API Monogram Program effective January 19, 2023. The document will no longer be maintained and considered as active within the API Standards document list. It will remain available only as a historical document.

For any questions or concerns related to this notification, please contact us at api.org/ContactMonogram.

Sincerely,

Kevin Ferrick
Senior Director, Monogram Program/APIQR
