RE: API Specification 6A, 21st Edition Addendum 2

Please be advised that the **Addendum 2** for the **21st Edition of API Specification 6A, Specification for Wellhead and Tree Equipment**, has been published.

- The Monogram Program Effective Date of this Addendum is December 1st, 2021.

Please note that this document requires your immediate review and attention. Your facility should ensure that all addendums are incorporated into your quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities by the addendum's effective date.

Licensed and applicant organizations are required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) against which the organizations are licensed or seeking licensure. Current API publications may be purchased from the [API Monogram Web Store](#).

This notification and other product updates, as well as Errata for Monogram specifications, are available at [Monogram Program/APIQR & Spec Updates](#).

For any questions or concerns related to this notification, please contact us at [api.org/ContactMonogram](#).

Thank you for your continued participation in the API Monogram Program and your dedication to quality.

Sincerely,

Kevin Ferrick
Director, Monogram Program/APIQR
