RE: API Specification 20E, Second Edition Addendum 2

Please be advised that **Addendum 2** for the **Second Edition of API Specification 20E, Alloy and Carbon Steel Bolting for use in the Petroleum and Natural Gas Industries**, has been published.

Please note that this document requires your attention. Facilities should ensure that all revisions are incorporated into the quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities. **This Addendum is effective immediately.**

The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the [API Monogram Web Store](#).

The authorized Addenda document, along with a copy of this notification, can be found at: [API Monogram/APIQR: Program & Spec Updates](#).

If additional information or clarification is required, please contact us at certification@api.org.

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

Together, we can [Power Past Impossible!](#)

Sincerely,

Sharon Bowie
Manager, Monogram/APIQR
