SUBJECT: API Specification 11AX, Thirteenth Edition

Please be advised that the **Thirteenth Edition of API Specification 11AX, *Subsurface Sucker Rod Pump Assemblies, Components, and Fittings*** has been published. Please note that this document requires your review and attention.

- The **Date of Issue** of this Edition is **May 2015**
- The **Effective Date** of this Edition is **November 4, 2015**

Your facility/facilities should ensure that all revisions are incorporated into your quality management system (QMS) and that affected personnel are trained on any new requirements. Additionally, please evaluate the effectiveness of all training provided and ensure all personnel are competent to perform the required activities.

These actions should be completed prior to the specification's Effective Date and your next scheduled audit.

In order to assist you with the implementation of any new requirements, please click on the following link to purchase the new specification:
