

2008 Storage Tank Conference

October 8-9, 2008
Sheraton Fort Worth
Fort Worth, Texas

Wednesday, October 8

7:30 AM – 8:30 AM

Registration Opens / Continental Breakfast – *Sponsored by HMT Inc.*

General Sessions

8:30 AM – 8:40 AM

Opening Remarks

Speaker: Stephen Crimardo, API

Morris Kline, Committee Co-Chair, HMT Inc.

John Lieb, Committee Co-Chair, Tank Industry Consultants

8:40 AM – 9:20 AM

Session: **What Should I Consider for Compliance with the July 2009 SPCC Deadline?**

- Integrity Testing (baselining tanks)
- Secondary Containment
- Qualified Facilities

Moderator: Stephen Crimardo, API

Speaker: Mark Howard, EPA

9:20 AM – 10:15 AM

Session: **Ethanol and Stress Corrosion Cracking in Petroleum Storage Tanks and Pipelines**

Moderator: Marilyn Shores, Explorer Pipeline

Speaker: Russ Kane, iCorrosion, LLC

10:15 AM – 10:45 AM

Mid-Morning Break – *Sponsored by DJA Inspection*

10:45 AM – 11:45 AM

Session: **Current Issues for Ethanol Tanks**

Moderator: Marilyn Shores, Explorer Pipeline

Speaker: Jerry Boldra, Consultant

11:45 AM – 12:45 PM

Luncheon – *Sponsored by TEMCOR, FSI-RSI, SGS*

12:45 PM – 1:30 PM

Session: **Static Ignition Concerns in Above Ground Storage Tanks**

Moderator: Dana Schmidt, STI

Speaker: Guy Colonna, NFPA

1:30 PM – 1:50 PM

Session: **Update of Tank Entry Supervisor Certification (TES)**

Moderator: Guy Colonna, NFPA

Speaker: Les Bente, Don Miller and Associates

1:50 PM – 2:40 PM

Session: **Hurricane Preparedness and Response**

Moderator: Morris Kline, HMT Inc.

Panelists:

John Lieb, Tank Industry Consultants

Mike Brockway, CITGO

Earl Crochet, Kinder Morgan

John Fumbanks, Pond & Company

Alan Geis, Colonial Pipeline

Marilyn Shores, Explorer Pipeline

2:40 PM – 3:00 PM

Afternoon Break – *Sponsored by Tank Consultants, Inc.*

3:00 PM – 3:30 PM

Session: **Tank Structural Integrity: Experimental Study of Floating Roof Integrity for Seismic Sloshing**

Moderator: John Lieb, Tank Industry Consultants

Speaker: Haruki Nishi, Dr. Eng., National Research Institute of Fire and Disaster, Japan

3:30 PM – 4:00 PM

Session: **API 545 Update**

Moderator: Guy Colonna, NFPA

Speaker: Chip Breitweiser, HMT, Inc.

Gordon Robertson, API (update on 545)

4:00 PM – 5:00 PM

Session: **Safe Tank Alliance Update**

Moderator: Morris Kline, HMT Inc.

Panelists: Wayne Geyer, STI

Bill Erny, API

Guy Colonna, NFPA

5:00 PM – 6:00 PM

Reception and Exhibit-Viewing – *Sponsored by Allerion Service, A.R. Watson, Matrix Service*

Thursday, October 9

7:30 AM – 8:30 AM

Registration Opens / Continental Breakfast – *Sponsored by PetroChem Inspection*

8:30 AM – 9:30 AM

Session: **Corrosion Study on Biodiesel in Steel**

Moderator: Dana Schmidt, STI

Speaker: Steve Westbrook, Southwest Research Institute

9:30 AM – 10:30 AM

Session: **RP 651 on Cathodic Protection and Increasing Depth of Tank Double Bottom from 6" to 12" / Double Bottom Options and Pitfalls**

Moderator: Mike Brockway, CITGO

Speaker: Lou Koszewski, US Tank Protectors

10:30 AM – 11:00 AM

Mid-Morning Break – *Sponsored by Hayward Baker*

11:00 AM – 11:30 AM

Session: **Update on 2350**

Moderator: Morris Kline, HMT Inc.

Speaker: Earl Crochet, Kinder Morgan

11:30 AM – 12:00 PM

Session: **Vapor Recovery / Emissions: an Owner Operator & Industry Consultants View**

Moderator: George Morovich, TEMCOR

Speaker Panel:

Kimber Hamilton, Marathon

Townsend Hillard, Purgit

12:00 PM – 1:00 PM

Luncheon – *Sponsored by BBL Falcon Industries, Nilex Construction, Sperian Protection*

1:00 PM – 1:50 PM

Session: **GD GACT (Gasoline Distribution – Generally Achievable Control Technology)**

Moderator: George Morovich, TEMCOR

Speakers: Rob Ferry, TGB Partnership

1:50 PM – 2:40 PM

Session: **API Committee on Evaporation Loss Estimation Research Update**

Moderator: Alan Geis, Colonial Pipeline

Speakers:

Kimber Hamilton, Marathon

George Morovich, TEMCOR

Rob Ferry, TGB Partnership

2:40 PM – 3:00 PM

Afternoon Break – *Sponsored by Consolidated Fabrication*

3:00 PM – 3:45 PM

Session: An Evaluation of Alternative Methods for Internal Floating Roof Seal Inspection for In-Service Tanks

Moderator: Leith Watkins, Explorer Pipeline

Speaker: John Lieb, Tank Industry Consultants

3:45 PM – 4:15 PM

Session: Sensor System for Monitoring of Floating Roofs for Petroleum Storage Tanks

Moderator: Leith Watkins, Explorer Pipeline

Speakers:

Nick Tzonev, Syscor Controls & Automation

David Sime, Syscor Controls & Automation

4:15 PM – 4:45 PM

Session: Standards Update

Including API Std. 650

Speaker: Stephen Crimauto, API

4:45 PM – 5:00 PM

Session: Conference Wrap-Up and additional Tank Related Topics (with Q&A) – Open Discussion

Moderator: Morris Kline, John Lieb

5:00 PM

Adjourn
