Course Facilitator
Bill Aston is an approved API-U and PECB certified trainer with more than 40 years of experience in the oil and gas industry. His past work experiences include all phases of QA, QC and quality management related to pipelines, welded fabrication, major capital projects, plant operations inspection, and facilities expansion projects. Bill's professional QMS certifications include ASQ Certified Quality Auditor and PECB Certified Lead Auditor. He has been serving as a subject matter expert for ASQ's Ask the Experts program since 2008 and has been published in ASQ Quality Progress Magazine on numerous occasions since 2012. In addition to Bill's participation on several API task groups, he is also a voting member of API Quality Subcommittee 18, API Supply Chain Management Subcommittee 20, US TAG to ISO TC 176, TC 67, and an active member of the ISO 9001 interpretation committee.
