

Natural Gas Reliability and Resilience Forum

NEWSEUM ♦ 555 Pennsylvania Ave NW, Washington, DC 20001 ♦ November 28, 2017

7:30-8:00 Coffee & Registration

8:00-8:20 Opening & Welcome

Dave McCurdy, President & CEO, AGA
Don Santa, President & CEO, INGAA

8:20-9:00 Keynote: Current and Future Supply & Demand

Adam Sieminski, Chair for Energy and Geopolitics, CSIS

Objective: Provide an outlook for Natural Gas Production, Demand, and Trade: Short- and Long-term Perspectives

9:00-10:00 Natural Gas Systems: Transmission, Storage & Delivery (TBD)

Objective: Explaining the supply chain and design elements that provide resilience and reliability.

10:00-10:20 Networking Break

10:20-11:20 Natural Gas Markets: How Competition Builds Reliability

Moderator:

Chris McGill, Vice President Policy Analysis, AGA

Panel:

Ira Shavel, Principal, The Brattle Group

Rick Smead, Managing Director, Advisory Services, RBN Energy LLC

Objective: A discussion of how the natural gas industry provides reliability through market competition, supply diversity and operational flexibility.

11:20-12:10 LNG Exports vs. Domestic Consumption

Moderator:

Department of Energy

Panel:

Harry Vidas, Vice President, ICF

Cameron Land, Vice President, Research Sales, ClearView Energy Partners

Objective: A panel discussion of concerns related to domestic pricing and imports and the analyses that has been done recently.

12:10-1:15 Lunch (provided)

- 1:15-2:15 Promoting Safety through Industry Best Practices**
Moderator:
Department of Transportation, Pipeline & Hazardous Materials Safety Administration
Panel:
David Miller, Director, Standards, API
Christina Sames, Vice President, Operations & Engineering, AGA
INGAA (speaker being confirmed)
- Objective: Panel discussion of the industry standards and practices that have created to help operators maintain a reliable natural gas production, transmission and delivery system.*
- 2:15-3:15 Physical & Cyber Security Practices in the Natural Gas Industry**
Moderator:
Department of Homeland Security, Transportation Security Administration, Pipeline Security Division
Panel:
Peter Grandgeorge, National Security & Resiliency Programs Manager, MidAmerican Energy Company
API (speaker being confirmed)
INGAA (speaker being confirmed)
- Objective: Panel discussion of how guidelines, industry experience and best practices create an effective security risk assessment and planning framework.*
- 3:15-3:30 Networking Break**
- 3:30-4:15 Information Sharing to Improve Security and Resilience**
Moderator:
Kimberly Denbow, Director, Security, Operations & Engineering, AGA
Panel:
David Zacher, Executive Director, ONG-ISAC
Jim Linn, Executive Director, DNG-ISAC
Fred Hintermister, Manager, E-ISAC
- Objective: Descriptions of what the industry is doing to improve information sharing, what's been learned and where partnerships can be improved.*
- 4:15-4:30 Closing Remarks & Next Steps**
Marty Durbin, Executive Director for Market Development, API
- 5:00-6:30 Networking Reception at Carmine's**
425 7th St NW, Washington, DC 20004
(one block from Newseum)
