

# What America Is Thinking On Energy Issues – Keystone XL Pipeline National

September 2015

# Importing More Or less Oil from Canada

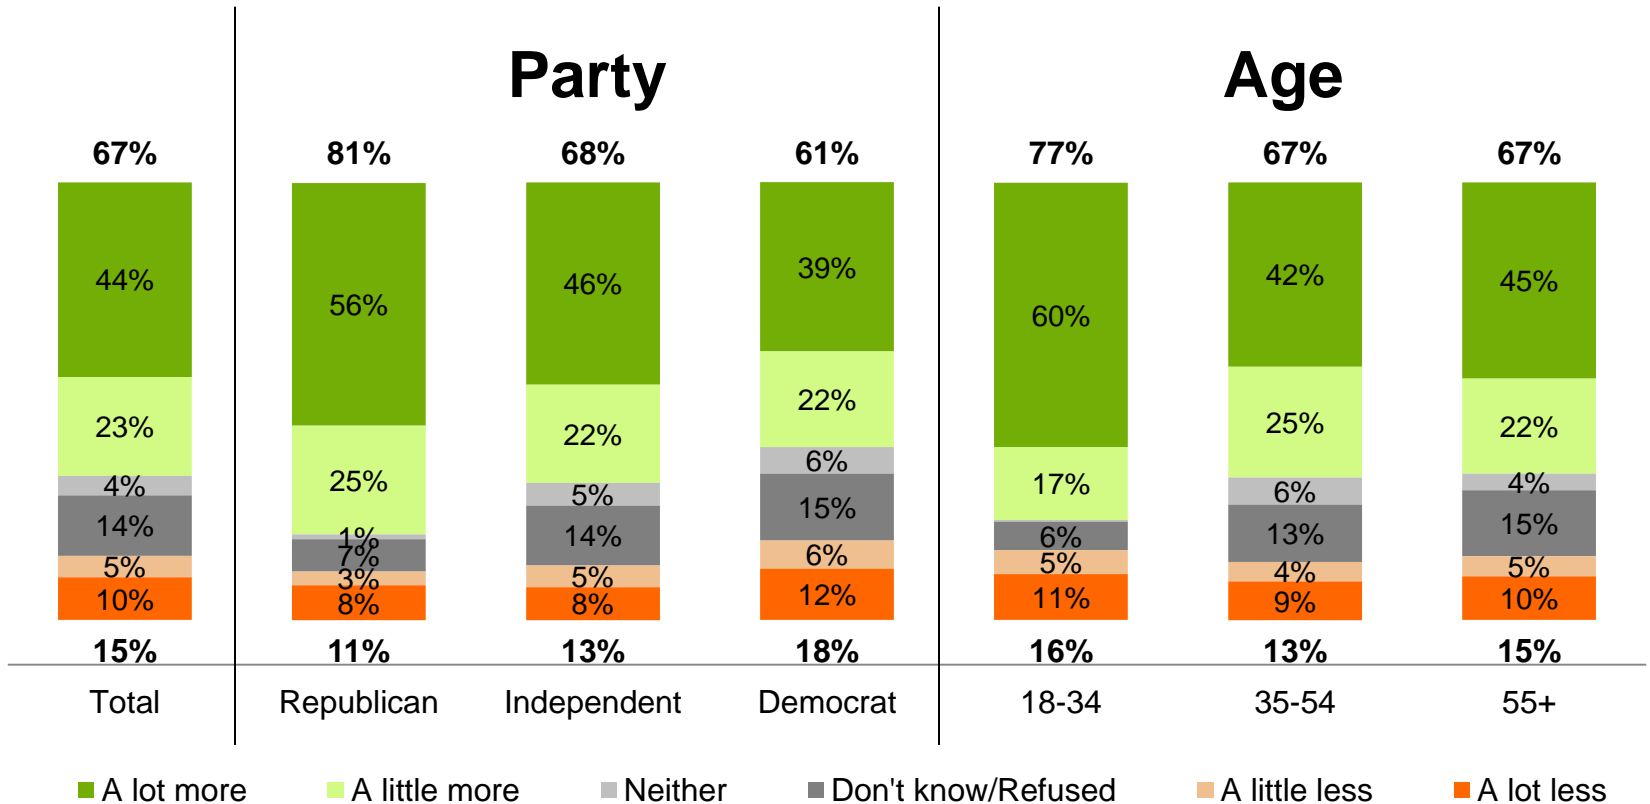

If America continues to need to import some oil to meet its energy needs, would you like to see America import more or less of the oil it needs from Canada, rather than other foreign countries?

**Q1** If America continues to need to import some oil to meet its energy needs, would you like to see America import more or less of the oil it needs from Canada, rather than other foreign countries?

## By Party and Age
