# 84% Of Voters Oppose Legislation Charging Customers A Special Fee To Fund Exelon's Nuclear Plants

As you may know, a corporation named Exelon is urging the Pennsylvania legislature to enact legislation that would charge electric customers with a special fee to increase funding to Exelon's nuclear plants in the state. This special fee would be charged on top of what customers already pay on their electric bill. Would you support or oppose this proposal?

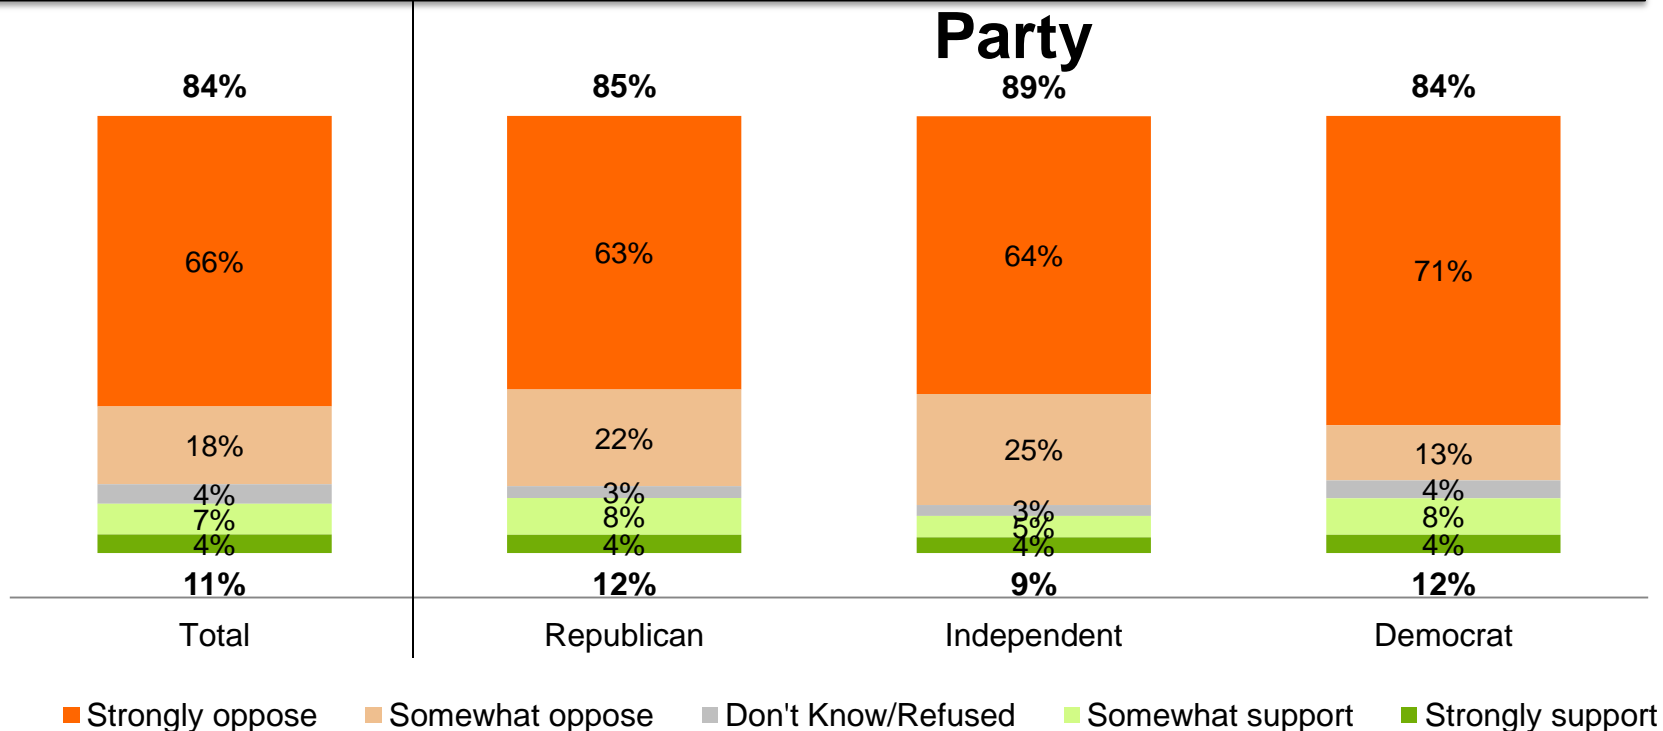

**BASE: All Respondents (n=800)**
