RE: API Specification 15S Licensing Information Form update

Please be advised that the API Specification 15S Licensing Information Form has been updated with the following changes:

- Changed "coupling fittings" with "couplings"
- Add a sixth type of reinforced pipe called "Composite"

The changes to this API 15S Licensing Information Form are effective immediately and are being implemented to align the Licensing Information Form with the latest revision of the specification.

The updated API Spec 15S Licensing Information Form can be found on the API website at [API Monogram & APIQR: Resources](#).

A copy of this notification can be found on the API website at [API Monogram/APIQR: Program & Spec Updates](#).

For any questions regarding the changes to the Licensing program for API Spec 15S, please contact us at www.api.org/ContactMonogram.

Thank you for your continued participation in the API Monogram Program and your dedication to quality.

Sincerely,

Kevin Ferrick
Senior Director, Monogram Program/APIQR
