RE: API Specification 12D, Twelfth Edition

Please be advised that the **12<sup>th</sup> Edition of API Specification 12D, Specification for Field-welded Tanks for Storage of Production Liquids**, has been published.

- The Date of Issue of this Edition is June, 2017
- The Effective Date of this Edition is December 1, 2017

Please note that this document requires your immediate review and attention. Your facility should ensure that all revisions are incorporated into your quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities. This should be completed prior to the specification's effective date and the subsequent audit.

The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the [API Monogram Web Store](#).

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

*Together, we can [Power Past Impossible!](#)*

Sincerely,

Sharon Bowie  
Manager of Operations, Monogram/APIQR
