RE: API Specification 11AX, 13th Edition Errata 1

Please be advised that **Errata 1** of the 13th Edition of **API Specification 11AX, Specification for Subsurface Sucker Rod Pump Assemblies, Components and Fittings**, has been published.

- This Errata is effective immediately

Please note that this document requires your immediate review and attention. Your facility should ensure that all editions are incorporated into your quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities by the Errata's effective date.

Licensed and applicant organizations are required to maintain at least one copy of the most current edition of the English language version of the API Product Standard(s) under which they are licensed or seeking licensure. Current API publications may be purchased in the www.apiwebstore.org.

This notification and other product updates, as well as errata and new editions for Monogram Specifications, are available at [API Monogram & APIQR: Latest Updates](#).

For any questions or concerns related to this notification, please contact us at api.org/ContactMonogram.

Thank you for your continued participation in the API Monogram Program and your dedication to quality.

Sincerely,

Kevin Ferrick
