3.2. The following allowances are acceptable when applying the API Monogram Mark on products only:

3.2.1. "Breaks" in the Monogram "diamond" are acceptable due to technical limitations of applying the Mark (e.g. stenciling).

3.2.2. When the Monogram Mark is 1 inch in height or smaller due to size limitations of the product, the "Q" symbol in the Mark may be omitted.

3.3. The following ANAB trademark may be used by organizations with an accredited ISO 9001 and/or ISO 14001 Certificate of Registration as described in FM-004.

3.4. Only organizations with accredited certificates may use the ANAB Mark. All accredited certificates include the ANAB Mark on the certificate. Unaccredited certificates do not have the ANAB Mark.
