Natural Gas and Oil Fuels Wyoming's Economy and Workforce

Access to natural gas and oil development will be a key driver of the post-pandemic recovery in Wyoming. **The industry supported over 68,000 Wyoming jobs, provided over \$6 billion in wages and contributed more than \$10.6 billion to the state's economy in 2019**, according to a study conducted by PricewaterhouseCoopers (PwC) that compiles the latest available government data.

JOBS OVERVIEW

From petroleum engineers and truck drivers to contractors and manufacturers, the natural gas and oil industry supports a wide range of jobs across the Wyoming economy. Research shows that every direct job in the natural gas and oil industry generates an additional 1.4 jobs in Wyoming.
