RE: API Specification 7K, 6th Edition, Errata 3

Please be advised that **Errata 3** for the **6th Edition of API Specification 7K, Drilling and Well Servicing Equipment**, has been published.

This document requires your review and attention. Facilities should ensure that all revisions are incorporated into the quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities.

The Errata 3 document, along with a copy of this notification, can be found on the API website at [Program Specs & Updates](#).

The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the [API Monogram Web Store](#).

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

Together, we can [Power Past Impossible!](#)

Sincerely,
