RE: API Spec 19V Licensing Information Form changes

Please be advised that the **API Spec 19V Licensing Information Form** has been updated with changes that include the addition of a Design Validation Grade.

- **Addition of V1H Design Validation Grade**

The API Monogram Program Effective Date is November 1, 2019 for the 2<sup>nd</sup> Edition of API Spec 19V. The changes to the Licensing Information Form are effective immediately.

There are no immediate actions required by the licensed organizations. The scope of the API Spec 19V license will be revised as necessary once the verification of conformity to the requirements is demonstrated during the next scheduled API audit.

The updated API Spec 19V Licensing Information Form can be found on the API website at: [API Monogram & APIQR: Resources](#).

A copy of this notification can be found on the API website at: [API Monogram/APIQR: Program & Spec Updates](#).

The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the [API Monogram Web Store](#).

For any questions regarding the changes to the Licensing program for API Spec 19V, please contact us at [certification@api.org](mailto:certification@api.org).
