Subject: API Notification: Advisory 11 for Manufacturing Requirements and Capabilities

Dear API Monogram Licensees and Applicants,

Please be advised that that API Advisory #11: *API Monogram Manufacturing Requirements, Manufacturing Capabilities, and updated Licensing Agreement* is now in effect.

API Monogram Licensees should review Advisory 11 and ensure that equipment with the API Monogram Mark is compliant. This document, along with other API Advisories can be downloaded at: [API Monogram & APIQR: Advisories & Updates](#)

Sincerely,
Monogram/APIQR Team
American Petroleum Institute | Global Industry Services
