RE: API Specification 11D1, Third Edition

Please be advised that the **Third Edition of API Specification 11D1, Packers and Bridge Plugs**, has been published.

- The Date of Issue of this Edition is **April 2015**
- The Effective Date of this Edition is **October 9, 2015**

Please note that this document requires your review and attention. Your facility should ensure that all revisions are incorporated into your quality management system and that affected personnel are trained on any new requirements. Additionally, please evaluate the effectiveness of all training provided and ensure all personnel are competent to perform the required activities. This should be completed prior to the specification's effective date and your next scheduled audit.

In order to assist you with the implementation of any new requirements, please click on the following link to purchase the new specification:
