RE: API Spec 11IW

As of May 3<sup>rd</sup> 2012, API Subcommittee 6, Valves & Wellhead Equipment, balloted the withdrawal of API Spec 11IW. The ballot was closed with a unanimous approval for withdrawal. The document will no longer be considered as active and maintained within the API Standards document list, but will remain available only as a historical document.

Effective November 3<sup>rd</sup>, 2012 all Spec 11IW licenses/applications will be withdrawn and the document rendered obsolete, and all manufacturers of monogrammed 11IW equipment shall cease applying the API Monogram on any API Spec 11IW products manufactured at your facility. At that time please dispose of the previously issued API Monogram Certificate.

If you should have technical questions regarding the retiring of API Spec 11IW, please send all inquiries to [standards@api.org](mailto:standards@api.org)

For 11IW inquiries regarding the API Monogram Program, please contact [certification@api.org](mailto:certification@api.org)
