RE: Errata to API Specification 20E

Please be advised that an **Errata to API Specification 20E, Alloy and Carbon Steel Bolting for Use in the Petroleum and Natural Gas Industries**, First Edition, August 2012, has been published and should be kept with your copies of API Spec 20E.

- The Date of Issue of this errata is **October 2014**
- The Effective Date of this errata is **October 2014**

Please note that this document requires your review and attention. Your facility should ensure that all errata are incorporated into your quality management system and that affected personnel are trained on the new requirements. Additionally, please evaluate the effectiveness of all training provided and ensure all personnel are competent to perform the required activities. This should be completed as soon as possible. These actions will be reviewed at your next scheduled audit.

You may find this, and any other errata and addendum that may be applicable to your license(s) or application(s), on our website at:

<http://www.api.org/Standards/addenda/add-ep.cfm> .

We thank you for your continued interest and support.
