7. From Spec 5L, 3.1.46 processor- firm, company or corporation that operates facilities capable of heat treating pipe made by a pipe mill

For Processor, place a check mark (✓) in each box that corresponds to the products you are applying to manufacture and monogram. (If using electronic PDF form, click your mouse in the corresponding box and the check mark will appear). For all other products, enter each product combination that you are applying to manufacture and monogram by filling in the Type of Pipe, Delivery Condition, and Highest-Grade text boxes.

The Licensing Information Form (LIF) identifies products eligible for a Monogram License. New applications must be submitted through the myCerts portal at: [myCerts.api.org](http://myCerts.api.org). Existing Monogram Licensees that would like to add or remove products from a Monogram License must complete the LIF and submit to [www.api.org/ContactMonogram](http://www.api.org/ContactMonogram).
