API Tank Entry Supervisor (TES) Publications Effectivity Sheet March 2019-July 2020

Listed below are the effective editions of the publications required for this exam for the date(s) shown above.

Please be advised that API documents and publications are copyrighted materials. **Reproducing these documents without API permission is illegal.**

The primary references for the development of API's Tank Entry Supervisor Certification Program are: API Standard 2015 and its companion API RP 2016. While these standards provide a substantial body of knowledge they also incorporate by reference additional background material, much of it regulatory.

API

Std. **2015** *Requirements for Safe Entry and Cleaning of Petroleum Storage Tanks* – 8th Edition (January 2018)
