MyAPI Log-In Instructions for ICP Users

When you navigate to the inspector.api.org website, you will see the following:

To log in, select “Go to myAPI” and navigate to the myAPI Welcome/Log-in page:
**Registering an Account:**

Users that do not have an account *with myAPI* can click on “Register Now” under Create Your Account.

**Note:** All ICP users will need to follow this step the first time they log in to myAPI.

Upon clicking “Register Now,” the system will ask for your username email address:

![Register for myAPI](image)

Please make sure to type in your ICP Portal username email address and click “Continue.” An email will be sent to your account.

![Email sent](image)

An email was sent to icpexampleuser@api.org. Open the link in your email to reset your password.

Didn't receive an email?

[Resend Email]
