SUBJECT: Errata to API Specification 11E

Please be advised that **Errata to API Specification 11E, Pumping Units**, Nineteenth Edition, November 2013, has been published and should be kept with your copies of API Spec 11E. Please note that this document requires your review and attention.

- The **Date of Issue** of this Edition is **August 2015**
- The **Effective Date** of this Edition is **August 2015**

Your facility/facilities should ensure that all revisions are incorporated into your quality management system (QMS) and that affected personnel are trained on any new requirements. Additionally, please evaluate the effectiveness of all training provided and ensure all personnel are competent to perform the required activities.

These actions should be completed prior to the specification's Effective Date and your next scheduled audit.

You may find this, and any other errata and addendum that may be applicable to your license(s) or application(s), on our website at:
