RE: API Specification 16A, Fourth Edition – ***NEW Effective Date***

Please be advised that the 4th Edition of API Specification 16A, *Specification for Drill-through Equipment*, has a new effective date.

- The Date of Issue of this Edition is April 2017
- The Effective Date of this Edition has been changed from October 1, 2017 to **February 1, 2018**

The specification requires your review and attention. Facilities should ensure that all revisions are incorporated into the quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities. This should be completed prior to the standard's effective date and the subsequent audit.

The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the [API Monogram Web Store](#).

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

Together, we can [Power Past Impossible!](#)

Sincerely,

Sharon Bowie
Manager of Operations, Monogram/APIQR
