## APIQR Multi-Site Organization Questionnaire

This questionnaire must be completed by all organizations that want to register multiple locations under a single management system. APIQR will conduct an annual on-site audit for each site included in the multi-site registration. Application and annual fees apply.

Only ISO 9001, API Q1 and API Q2 registrations are eligible. Additional locations that hold Monogram Licenses are not eligible.

**Company Name:** 

**Facility ID:** 

| Address of Central Function:   |                      |                               |            |      |  |
|--|----------------------|-------------------------------|------------|------|--|
| [The central function is where operational control   |                      |                               |            |      |  |
| and authority from the top management of the organization is exerted over every site]          |                      |                               |            |      |  |
| Number of Employees at Central Function:   |                      |                               |            |      |  |
