Course Facilitator

Bill Aston has more than 40 years of experience in the oil and gas and petrochemical industry. His past work experiences as a quality professional include all phases of QA, QC and quality management related to supplier quality evaluations, pipelines, welded fabrications, plant operations, personnel training and development of quality management systems. Bill's professional certifications include ASQ certified quality auditor, Exemplar Global (RABQSA) Principal Auditor, PECB certified Lead Auditor and PECB certified Trainer. He has served as a subject matter expert for ASQ Quality Progress magazine's Ask the Experts program since 2008 and is a frequently published contributor. In addition, Bill is a voting member of API Quality Subcommittee 18 and API Supply Chain Management Subcommittee 20, US TAG to ISO TC 176, and ISO TC 67.
