Facilitator: Bud Weightman is an international management consultant involved with management and technical systems for over 30 years. As President of QSI, Bud is involved with the industry committees responsible for emerging requirements, including: revision of API Spec. Q1 from the 8th to 9th Edition; creation of API Spec. Q2; the API Task Group for welding; and harmonization of API product specification requirements. He is an Authorized API Lead Auditor; an Authorized API "Master Trainer"; and a Lead Auditor for the accreditation of SEMS Audit Providers through the Center for Offshore Safety. Bud's experience includes working with ISO 9000, ISO 14000, OHSAS 18000 management systems, and with industry-specific certification schemes such as API Q1, API Q2, AS9100, and ASME systems, to name a few. For more information about Bud's profile, click [here](#).
