* Facilitators:

Bud Weightman is an international consultant involved with management and technical systems for over 30 years. As President of QSI, Bud is involved with industry committees responsible for: revision of API Spec. Q1; creation of API Spec. Q2; the API Task Group for welding; harmonization of API product spec. requirements; and lead auditor for the accreditation of SEMS Audit Providers through the Center for Offshore Safety. Bud's experience includes working with various ISO management systems, and with industry-specific certification schemes such as API Q1/Q2, AS9100, and ASME systems. For more information about Bud's profile, click here.

Dana Harris is certified by ASQ, as a CQA, and by Exemplar Global, as a Principal Auditor and Certified Management System Lead Specialist. Dana is currently a Senior Auditor, and has spent the last 10 years implementing quality management systems according to API Spec Q1 and API product specifications.

* Course may be taught by additional instructors than those listed.
