Monday – Afternoon Tea at The Brown Palace

Denver is a city of neighborhoods, where the laid-back, Mile High lifestyle can be found in trendy cafes, one-of-a-kind boutiques, galleries, and pubs. Spend some time exploring and shopping in the vibrant, downtown area before going to the historic Brown Palace Hotel to participate in a longstanding tradition of the “afternoon tea”. For decades, afternoon tea has been a tradition at The Brown Palace. Set amid the historic grandeur of the atrium lobby with its serenade of the melodic piano, guests revel in the splendor as they escape from the city's bustle. Enjoy such signature items as a pot of properly brewed English tea accompanied by scones served with Devonshire cream and preserves, savory tea sandwiches and a delightful array of classic tea pastries. You will also enjoy the soothing sounds of a harpist or pianist.

Tuesday – Celestial Seasonings Tea Factory Tour

In 1969, a group of passionate young entrepreneurs founded Celestial Seasonings upon the belief that their flavorful, all-natural herbal teas could help people live healthier lives. They harvested fresh herbs from the Rocky Mountains by hand, and then dried, blended and packaged them in hand-sewn muslin bags to be sold at local health food stores. By staying committed to their vision, the founders of Celestial Seasonings turned their cottage industry into an almost overnight success. Today, Celestial Seasonings is one of the largest specialty tea manufacturers in North America. They serve more than 1.6 billion cups of tea every year, and we source more than 100 different ingredients from over 35 countries to create our delicious, all-natural herbal, green, red, white, chai and wellness teas. But most importantly, they're still about people and passion. You will head to the Celestial Seasonings Tea Factory for a tour. From raw ingredients to finished products, you'll learn all about the wonderful world of tea and see how their wholesome products are blended, packaged, and shipped. You'll never look at tea the same way again! After the tour you will have lunch in their cafe and have time to shop in their company store.

The reception on Wednesday evening is included in the spouse program registration fee. Unregistered spouses/guests may also attend the reception on Wednesday evening. The fee is \$40. Please stop at the API Registration Desk by 3:00 pm, Wednesday, June 13th, to register your spouse or guest for the reception and obtain a name badge made.
