SHIPPING AND RECEIVING

Due to heightened security and limited storage space, special arrangements must be made for receiving equipment, goods, displays and other materials that will be sent, delivered or brought into the hotel. Failure to do this may result in deliveries being refused or materials being unavailable when required. Please notify us of any oversized items so that the appropriate arrangements may be made.

Exhibits cannot be received directly by the hotel. Please utilize your drayage company.

All boxes and materials shipped to the hotel for your convention may be delivered three (3) working days prior to your meeting dates. The hotel is unable to accept shipments that may require a forklift or other power lifting to move. Please contact your Event Planning Manager for additional assistance with oversized items.

Our Receiving entrance is open 7:00am – 3:00pm, Monday through Friday.

Any materials being sent to the hotel must be labeled as follows:
