RE: API Specification 19G1, Second Edition

Please be advised that the **Second Edition of API Specification 19G1**, *Side-Pocket Mandrels,* has been published.

- The API Monogram Program Effective Date is November 1, 2019

Please note that this document requires your immediate review and attention. Your facility should ensure that all revisions are incorporated into your quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities. This should be completed prior to the next audit.

Licensed and applicant organizations are required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the API Monogram Web Store.

This notification and other product updates, as well as errata and addenda for Monogram Standards, are available at Monogram/APIQR Program & Spec Updates.

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

Together, we can Power Past Impossible!

Sincerely,

Sharon Bowie
Manager, Monogram/APIQR
